

Business delegation to India

Week 47 - 2024. Draft v4, 24.06

NICCI and its partners invite you to join our business delegation to India from November 18th to 21st. The focus of this trip is B2B matchmaking.

Engage in a 2.5-day business program in Mumbai, featuring industry-specific breakout activities. Followed by a visit to one more city in India depending on sector/interests.

Why participate in the delegation?

- Experience India and explore actual business opportunities
- Be showcased for major industry players
- Grow your network with key stakeholders
- Learn from others experience

The parallel Focus Tracks:

Part of the time we break out in sub-delegations for focused meetings and activities. You can join either the general business track or register for participation in one of several industry specific tracks.

1: Exploring business in India. The 1,4 billion people market!

Explore India and vast investment- and market opportunities. Are you planning to establish- or scale up your business in India? Learn from the experts and connect with the right people in our large network in India.

Co-organized by: Trilegal, Innovation Norway
Place: Mumbai + Pune

2: Tech and Innovation. Accelerating digital partnership Norway-India.

- Explore India's tech and innovation ecosystem, from startups to giga corporation.
- Understand opportunities for sourcing, joint ventures or market entry.
- Exclusive introduction to India's digital framework "India Stack". Business opportunities!
- Experience TCS Executive briefing Center in Mumbai
- Business site visits in Pune + dialogue meeting at the accelerator Ideas to Impacts.

Places: Mumbai + Pune

Partners: Ideas to Impacts, more TBC

3: Renewable Energy

India has set ambitious goals in the energy transition. Norwegian companies have the technology, knowledge and resources to invest. Let's showcase your company for the government, introduce you to business opportunities and connect you with India's most relevant Energy companies.

Co-organized by: NORWEP

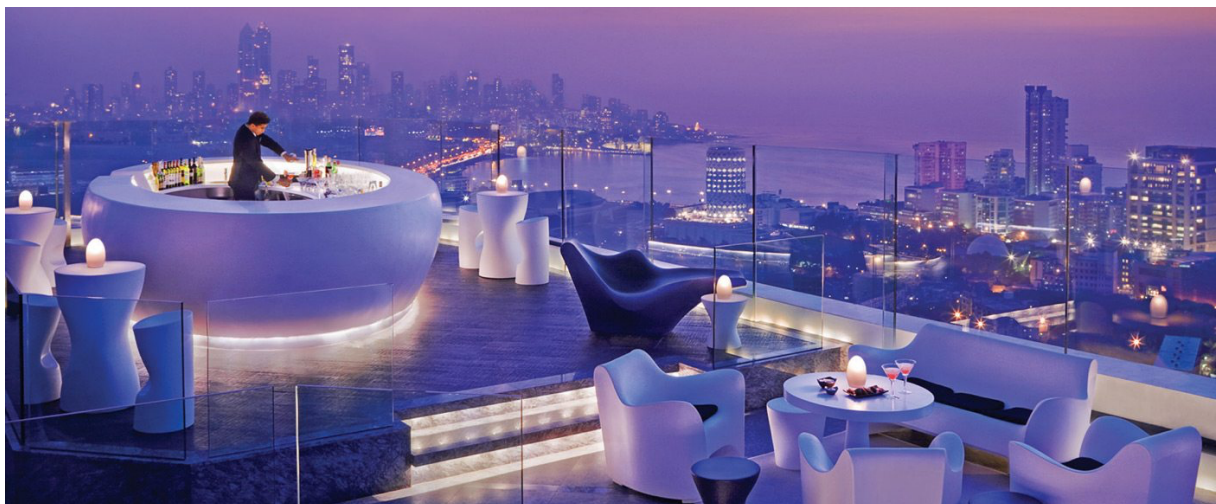

Places: Mumbai + Delhi

4: The circular economy

Connecting Norwegian companies with business opportunities. (solid waste management, wastewater, plastic)

Partner: Royal Norwegian Consulate General in Mumbai

Place: Mumbai + one more city (optional TBC)

MUMBAI, India's financial capital. Come with us to feel the business energy of the city that never sleeps.

Tue. 19. Nov: B2B evening with networking dinner.

Connecting the networks in Norway and India

NICCI's extended network includes business associations, municipalities/counties/states. We have invited relevant representatives to meet the delegation in Mumbai

Agenda: Pitches of the organizations, information on needs and opportunities - to explore collaboration opportunities. Networking dinner.
