

Delegation - Business Opportunities in Angola

Norwegian delegation - October 19th – 20th 2022
Luanda, Angola

Decarbonization, low emission and field development

Program

Angola's exploration and development are catching up, and the industry are keen to explore business and technology within decarbonization and low emission including operational efficiency.

National Petroleum Agency (ANPG) is co-sponsor to the event and have taken the chair role of organizing as well as inviting all key operator and stakeholders to the workshop. It is expected to be some more than 140 local representatives joining the event.

The program will contain ANGP and operators' presentations and expectations, presentations of Norwegian technology (performed by the attendees), B2B meetings and other open debate and discussions.
