Oct. 11, Wednesday, 2023, 10月11日, 星期三

Chair	XXX, Chief Engineer, Offshore Engineering, CNOOC Research Institute 中海油研究总院有限责任公司海洋工程总工程师 尹汉军
Co-chair	Mr. Jian Guo, Country Manager, Norwegian Energy Partners 挪威国家能源商会中国区总裁郭建
08:30	Registration 登记
09:00	Welcome Note 欢迎致辞 <i>Mr. Mi Lijun, General Manager, CNOOC CNOOC Research Institute</i> 中海油研究总院总经理米立军先生
09:10	Welcome note 欢迎致辞 <i>Ms. Signe Brudeset, Ambassador, Royal Norwegian Embassy</i> 挪威王国驻华大使白思娜女士
09:15	Welcome Note <i>Mr. Henrik Jorkjen, Director oil & gas, China, Korea, Singapore and Engineering hubs in Europe, Norwegian Energy Partners (NORWEP)</i> 挪威国家能源商会区域总裁 Henrik Jorkjen 先生
09:20	中海油低碳减排和数学化的介绍 中海油科技和信息部 xxx
09:50	Global Energy Industry outlook with focus on Low Emission, 全球能源工业低碳减排的展望 <i>Mr. Xinlei Zhu, Country Manager, Rystad Energy China</i>
10:20	Group Photo and Networking Break 集体合影和茶歇
10:50	DNV's Digital Innovations: Software Solutions, Data Platforms, and Advanced AI Research 挪威船级社 DNV 的数字创新：软件解决方案，数据平台和先进的人工智能研究 <i>Ji Hao Wei Jeffery, Head of Veracity Engineering China, DNV Digital</i> <i>Chen ZhongNing, Director of Artificial Intelligence Research Center, DNV Digital</i>
11:20	Coatings to support a greener future 油漆支持更绿色的未来 <i>Mr. Guo Ji Nan, National Sales Manager-Offshore, Jotun Coatings(Zhangjiagang) Co.,Ltd</i>
11:50	Energy saving and environment friendly solution for HVAC 更节能和环境友好的 HVAC 系统 <i>Mr. David Shi / Sales Director of Novenco China</i>

12:20	Networking lunch, sponsor by CNOOC Research Institute 午餐
13:30	Modular Approach to Produced Water Treatment 模块化处理生产水系统 <i>Mr. Hans Angman, Managing Director, Stauper Offshore AS</i>
13:50	Hilti Welding Free Supporting Solutions for Offshore Construction Hilti 为海工建造提供现场无焊接的支撑系统 <i>Mr. Pei Zheng, Head of Onshore North Asia, Head of Offshore China</i>
14:20	Technology services on energy transition with CCUS, Renewable and Digital solutions 为能源转型的 CCUS 和新能源以及数字化提供服务 <i>Mr. Andy Xiong, General Manager China, Global Maritime</i>
14:50	拟定: TBC 中海油研究总院 XXX 经理或中海油新能源公司 CCUS
15:20	Applications of Digital Twin in CCUS Scene 数字孪生在 CCUS 情境下的应用 <i>Mr. Ziwen Meng, Senior Technical Expert, Kongsberg Digital</i>
15:50	Networking Break 茶歇
16:10	The Smart Valve Solution for Unmanned Offshore Platform- ConditionALL Valve Monitoring System 海上无人平台智能阀门解决方案 ConditionALL 阀门监控系统 <i>Mr. Michael Liu, China Representative, ConditionALL</i>
16:40	Lifecycle Digital Twins Minimizing Emissions and Risks 全生命周期的数字孪生来最大程度的减少排放和风险 <i>Mr. Simen Martinsen, Business Development Manager, Billington Process Technology (BPT)</i>
17:10	Real-time Ocean Insights. Waves. Currents. Oil Spill Detection 实时的海况, 波浪, 洋流和溢油监测 <i>Mr. Jonas Røstad, Chief Commercial Officer, Miros AS</i>
17:40	End
18:30-20:30,	<i>Reception at XXX,</i> <i>NORWEP delegation members and CNOOC participants will take bus to XXX at 17:45, the main entry of CNOOC Research Institute</i> 招待晚宴, 由挪威驻华大使馆和挪威国家能源商会赞助 参加: 中挪全体参会人员 and 中海油相关部门领导

Day 2, Oct. 12, Thursday, 2023, 10月12日, 星期四

Chair	Mr. XXXX, XXX, CNOOC Research Institute
Co-chair	Mr. Jian Guo, Country Manager, Norwegian Energy Partners
08:30	Power the low carbon energy transition with subsea processing 致力于低碳减排的水下生产系统 <i>Mr. Hongkun Dong, business manager, OneSubsea China</i>
09:00	Seaonics fully electric handling systems, Contribute to Low Emission and Digitalization Seaonics 全电动起重与搬运系统 促进低排放和数字化, <i>Mr. Ståle Fure, Head of Sales, Seaonics</i>
09:30	Lower Carbon Oil, The role of autonomous inflow control technology in reducing carbon emissions whilst optimizing oil recovery 低碳油,自主流入控制技术在减少碳排放同时优化采收率 <i>Nicholas Hooper, Vice President Middle East, Africa and Asia Pacific, InflowControl</i>
10:00	Digital twin and AI for safer, faster and greener drilling operations offshore China 数字孪生和人工智能推动更安全、更高效和更绿色的海上钻井作业 <i>Jie Cao, Chief Technology Officer, eDrilling AS</i>
10:30	Certification Framework for CO2 Offshore Storage CO2 海上地质封存认证框架 <i>Mr. Gavin Guo, Area Manager of Market, H2 & CCS Lead, Energy Systems of DNV China</i>
11:00	Networking Break 茶歇
11:15-12:15	B2B meetings between NORWEP delegation members and representatives from CNOOC, Each NORWEP member has one table with its company name plate and brochures in the meeting room. The participants of CNOOC will meet NORWEP members to discuss face to face. 挪威公司和中海油与会者分组交流会
12:15-12:20	Close Remark <i>Mr. Jian Guo, Country Manager, Norwegian Energy Partners</i>
12:20-13:30	Networking lunch, sponsor by CNOOC Research Institute 午餐
13:30	End of the program 会议结束
