18.30-23.00	Burns Supper - Offshore Wind Conference Dinner 2023 NB! Delegates must book a table or ticket to join this evening event. <i>Location: Kelvingrove Art Gallery & Museum, walking distance (20mins) from the venue</i>

Tickets for the Infamous Burns Supper sell out quickly. NORWEP has secured a limited number of dinner tickets. This is a paid event. Please contact Hege Kongstein to secure your ticket at the reduced members' price. Once these tickets have gone, delegates must book individually on the Scottish Renewables web page at the full non-member price (if the company is not a member of Scottish Renewables). [Read more and book a ticket.](#)

Thursday, 26 January

SECC Lomond Suite, Glasgow

Our Day 2 programme includes a small number of One-to-many meetings to be held in the NORWEP meeting room. We will be hosting a **Networking Lunch** with invited guests where delegates will have an opportunity to pitch their value propositions and hear more about recent developments in Offshore Wind. B2B meetings will be held in the dedicated NORWEP Pod located in the main exhibition hall.

	13:45 Innovation / Consenting (parallel)
14:30-15:15 One-to-many Session 6	
	16:15 Event Close & Safe Home

NORWEP Delegation Programme

Main Conference Programme

Companies

We are pleased to offer an exciting range of meetings bringing together the delegation with international Offshore Wind (OSW) developers and policy makers to provide an insight into supply chain initiatives and innovation hubs.

We are working together with companies such as Ocean Winds, SSE Renewables, Flotation Energy, CORIO Generation, Northland Power, Scottish Power Renewables, BP and others to make this one of THE events to attend.

The programme will be finalized in early January. Please register as soon as possible and ensure that your current Unique Value Proposal is prepared to maximise your opportunities in our dedicated B2B area.

Practical information

Travel

We recommend that all participants travelling to Glasgow from abroad arrive on 24 January as B2B meetings and/or one-to-many meetings may start early on 25 January.

Hotel

Our recommended hotel is Crowne Plaza Glasgow. Book here: <https://crowneplaza.com-glasgow.com/>. The hotel is interconnected with the conference venue.

Conference registration / Delegate pass

NB! Please note that access to the conference is not included in the NORWEP delegation price and must be booked separately. It is also needed in order to access our conference room. Scottish Renewables offers a discount rate to NORWEP delegates. Please contact hege.kongstein@norwep.com no later than 6. January 2023 in order to get this discount.

A delegate pass grants you full access to both days of the Offshore Wind Conference (Wednesday 25 and Thursday 26 January 2023) including the exhibition and networking breaks with refreshments. Please note this must be the same named delegate for both days. An Interchangeable Delegate Pass option for a different delegate each day is also available. More info on delegate passes: <https://www.scottishrenewables.com/events/184-offshore23/delegates>

Conference

Website: <https://www.scottishrenewables.com/events/184-offshore23>

Venue: Scottish Event Campus (SEC), Exhibition Way, Glasgow, G3 8YW

Getting to the venue: The SEC is located just outside Glasgow city centre in the west-end. The campus is accessible by numerous transport options.
